

Young Ornithologist Workshop

Welcome to the Beaverhill Bird Observatory's "Young Ornithologist's Workshop"!

*Learn to work as a **field biologist** alongside wildlife experts through hands on training in bird banding, species identification, bird rehab and more.*

- *Students must be between the ages of 15-18 and have an interest in nature.*
- *Training occurs at the bird monitoring station at Beaverhill Lake and other locations including Elk Island National Park.*
- *Students are eligible to earn upwards of 8 high school credits through a combination of work experience and wildlife CTS (Career and Technology Studies).*
- *Program dates: Sunday, August 4th to Saturday, August 10th.*
- *Applications are due June 30th, 2019.*

Registration: for more information on the program or to register visit "programs" tab at www.beaverhillbirds.com

High School Credits: register through the Argyll Centre with Edmonton Public Schools at no cost. For more information, contact Aaron Dublenko: aaron.dublenko@epsb.ca or 780-267-4677
